Graduating? Join ACT Alumni Society

Dear New Alumni,

Congratulations on your accomplishments and receiving your degree. It has been an honor having you as a member and ACT would like to continue serving you in the next phase of your life. As an ACT member you learned the benefits of having active support from the professional world. Now that you are the professional, please take this opportunity to give back to the future generations of ACT members. This is an opportunity for all of our graduating members to keep your ACT network alive. By joining the ACT Alumni Society you will be able to receive position announcements, find fellow alumni members and have access to ACT news and information.

There is no financial obligation to join. Information about joining the ACT Alumni Society will also be available on the website very soon. Please pass this opportunity along to fellow ACT alumni.

Best of luck in all of your future endeavors and please stay in touch with ACT.

Sincerely,

Kim Cooper
Second Vice President
